Friedensreich Hundertwasser: 18-piece coffee set

€660.00

Product no.: IN-914871

The black background is typical of Hundertwasser and makes the colours of his motifs on the porcelain shine like a rainbow. Real gold and silver add atmospheric highlights. The elegant black coloured tea plates with their partly matt, partly glossy black elements are truly elegant. In the centre of the tea plates is a particularly typical motif by Hundertwasser: a spiral with windows and raindrops, symbolising the natural interplay of humans, heaven and earth. Together with the colourful collector's cups, the tea plates harmoniously complete your artistic coffee table.

Service consisting of 6 cups with saucers and 6 tea plates.

Made at the Königlich privilegierte Porzellanmanufaktur Tettau. Cup with saucer 0.21 litre, tea plate diameter 20 cm. Dishwasher safe.
