Product no.: IN-377267.5

Vienna, 1983-1986. Exclusively for ars mundi and in collaboration with KunstHausWien, this unique collection of espresso cups with motifs from Hundertwasser's architectural oeuvre was elaborately manufactured at the Königlich privilegierte Porzellanmanufaktur Tettau: Porcelain painters design the cups by hand in up to 18 colours and with a fivefold firing process at up to 1,200° C. Genuine gold overlays in up to 3 shades of gold, and shiny silver platinum faithfully reproduce Hundertwasser's design. The cups are 5 cm high and have a capacity of 0.09 l. The saucers measure 12.2 cm in diameter. Dishwasher safe.
