Born in 1956, Kay Winkler, who calls himself KAY, has become particularly prominent in recent years with his installations and large-scale sculptures. However, he is not only a trained wood sculptor and graduate of the State Academy of Sculpture in Munich with a master's diploma but also a trained graphic artist and painter.

His "Sitting Girl" shows his mastery in this art form: with a light stroke, he gives his "Sitting Girl", who is seated in an almost classical pose, a radiance that goes far beyond the merely erotic.

High-quality reproduction on handmade paper. Limited edition of 199 copies, numbered and signed by hand. Framed in a sophisticated solid wood frame with passe-partout, glazed. Size 56 x 68 cm (h/w). ars mundi Exclusive Edition.
