

Jewellery set "Tender Green"

€220.00

Product no.: IN-753393

The originals of these jewellery pieces are exhibited in the Gold Museum in Bogotá/Colombia. Wax impressions are taken from the originals by the Gold Museum's authorised workshop to ensure that the "Tender Green" jewellery set is also 100% identical to the grave finding.

Jewellery set made of 24-carat gold-plated metal elements combined with green ceramic beads. In the early pre-Columbian culture, ceramic was a material frequently used in jewellery, which was only later supplemented by semi-precious stones. Necklace: lobster clasp, adjustable length 40-43.5 cm. Stud earrings: length 3 cm each. Diameter 1 cm each.
