

Garden sculpture "Equilibrio", bronze

€1,980.00

Product no.: IN-943133

Equilibristics, the often effortlessly-looking art of balancing, fascinates every observer, whether young or old. In a figurative sense, this impressive ensemble conveys the message that one does not have to lose balance even when the ground is uneven or obstacles arise in one's path.

Edition in bronze, cast using the Lost-Wax-Process, patinated by hand. Size 155 x 27 x 27 cm (h/w/d). Weight 17 kg. Delivery does not include a stone pedestal.
