

Petra Waszak: Bangle "Aten Sun Wheel"

€256.00

Product no.: IN-487827

Under Akhenaten, the life-giving sun was worshipped as the sole deity for the first time. In many cultures, the sun wheel is regarded as a symbol of life and a magical source of power.

A colourful arrangement of different coloured agates with garnets and Murano glass elements on 24-carat gold-plated brass. Diameter 7 cm, width 3 cm. Made for all wrist sizes, worked flexibly.
