

Claude Monet: Picture "Spring in Giverny" (1900), framed

€490.00

Product no.: IN-888144

Claude Monet's (1840-1926) masterpieces include the garden he laid out in Giverny in the early 1880s. There the main representative of Impressionism found constant inspiration despite his failing eyesight. This painting does not show the famous water lilies but a spring-like garden scene dominated by fresh greenery and the bright splashes of colour from the irises.

Original: 1900, oil on canvas, Yale University Art Gallery, New Haven, USA.

Fine Art Gicleé print on artist's canvas in a stretcher frame. Limited edition 499 copies, with certificate. Fine solid wood framing. Size 81 x 83 cm (h/w).
