

Garden stele "Annette"

€380.00

Product no.: IN-826984

This sculpture is made of ceramic, wood and metal and is formed and painted by hand in small quantities. Colourful and a little quirky - but always filled with fantasy and humour. And this garden stele with its metal, mischievous looking character head is no exception.

The "Annette" garden stele consists of a metal head with frost-proof fired ceramic parts resting on a rod with a forked base. Size 155 x 38 x 9 cm (h/w/d). Weight approx. 8 kg.
