

Volker Kühn: 3D Picture "In the Spotlight" with LED lighting, framed

€390.00

Product no.: IN-713222

Volker Kühn stages reality by depicting it figuratively and three-dimensionally in a picture frame. This narrowly defined space is sufficient for the artist to vividly depict life in all its facets.

Kühn's "display cabinet" is a picture, space and light object at the same time: the scene, arranged with a great minimalist charm, is bathed in atmospheric light by incorporated LEDs.

Each 3D object is elaborately handcrafted and signed by hand. Solid wood display case frame, glazed. Lighting turns off automatically after approx. 3 minutes (shipping without batteries). Size 29 x 25.5 x 5.5 cm (h/w/d).
