

Jörg Mandernach: Picture "Man with House and Anchor", unframed

€325.00

Product no.: IN-686638

Mandernach's prints are characterised by a painterly conception of the figures, clear pictorial composition and technical brilliance. There is something special about them: the pictorial idea does not seem to have been thought through. This leaves the viewer freedom to continue imagining and fantasising.

Original lithograph in 12 colours. Printed from three stones at Matthieu, Dielsdorf / Zurich on Rives handmade paper. Limited edition of 90 copies, numbered and signed by hand. Unframed. Size 55 x 73.5 cm.
