

Ceramic figure "Siamese Cat"

€218.00

Product no.: IN-937756

Folk art and elaborate handicrafts from Uruguay. The items are fired several times, decorated with materials such as enamel glaze, gold and platinum in elaborate handwork rich in colour.

The effort that goes into these colourful ceramics is enormous. In a first step, the still soft cast base form is decorated with fine ornamental details. The first firing hardens it, then it is painted - again by hand - and decorative enamel glazes are applied. After further kiln cycles, gilding and platinum elements are finally applied - creating individual testimonies of the close connection between Latin American folk art and handicraft at the highest level.

The special fur patterns of the Siamese cats are caused by the so-called Siamese gene, which forms darker colour strokes on the extremities. Together with the typical deep blue eyes, they create a harmonious colour combination. Ceramic figure with an enamel glaze and 18-carat gilding accents. Size 18 x 9 x 10 cm (h/w/d).
