

Peter Strang: Porcelain picture "Don Quixote and Sancho Panza", framed

€440.00

Product no.: IN-749862.R1

Peter Strang proves with his porcelain paintings that he has not only mastered his material when designing sculptures and figurines, but he can also shine when it comes to two dimensions. In both cases, he expands an old form of craftsmanship with his new ideas.

Porcelain picture "Don Quixote and Sancho Panza":

The main characters from Cervantes' novel have long since become icons in art history - painted, drawn or engraved in copper thousands of times.

Hard porcelain painting decorated with a gold staffage fired at 1,300 degrees. Made in the Schwarzburg workshops for porcelain art. Limited edition of 198 copies, in a sophisticated solid wood frame. Size 25.9 x 30.4 cm. ars mundi Exclusive Edition.
