Paul Klee:
Picture "View From Red" (1937), framed

€290.00

Product no.: IN-779465

The important German-Swiss painter and graphic artist was a close friend of the artists of the Blaue Reiter and consistently followed unique artistic paths. From his initial fantastically whimsical phase to the serious, mystical pictorial language in his late work. Already ill, he achieves a maturity that is inherent in a purified lightness.
Original: Pastel on jute, private collection, Milan.

Giclée print on canvas. Mounted on a stretcher frame and framed in solid wood shadow gap frame. Size 51 x 54 cm (h/w).
