

Emperor Marcus Aurelius

€790.00

Product no.: IN-003193

A court sculptor of Hadrianic tradition carved this strikingly handsome portrait of a young man from marble. The very special personality of the young man Marcus Aurelius is portrayed by his luxurious curls and his soft, upturned lips. Original: The Norbert Schimmel Collection, New York. Hadrianic, marble. Approx. 140 - 170 AD.

Polymer ars mundi museum replica cast by hand, height with pedestal 44 cm.
