

Kerstin Tschech: Picture "Black Stallion", on stretcher frame

€550.00

Product no.: IN-744341.KR

The dream of freedom and power: Kerstin Tschech's paintings are more than just detailed or photographic depictions of horses. She seeks to bring the fascination of the horse to life: the galloping of the noble creatures, the rhythmic breathing and the powerful wave that emanates from the heated bodies of the horses. The smell of horses - that is how close the Czech Republic is to the essence of the horses on its canvases.

Reproduced using the Fine Art Giclée process directly onto artist's canvas (100% cotton) and mounted on a stretcher frame for a brilliant, authentic reproduction. Limited edition of 199 copies, numbered on the back and signed by the artist. Size 60 x 120 cm.
