

Paul Wunderlich: Sculpture "Odalisque", bronze

€1,400.00

Product no.: IN-478507

Wunderlich depicts the lady of the harem from the seraglio in an abstract modern style with a classical reference. The pose is traditional, seated with the lower body stretched out, and the upper body erected at right angles. But Wunderlich eliminates everything that is individual and abstracts his odalisque into a kind of reclining obelisk of erotic power, a stele in the horizontal, bearing the basic forms of the feminine.

Sculpture in fine bronze, hand-cast using the Lost-Wax-Process. Elaborately patinated by hand and partially polished. Limited edition of 1,250 copies, numbered and signed. The length of the sculpture is 29 cm, height is 12.5 cm. Plinth 37 x 13 cm. Weight 4 kg.
