

Feeding for squirrels

€49.00

Product no.: IN-901461

It is very entertaining to observe a squirrel at their own feeder at close range. It doesn't take long for the squirrels to figure out that they have to push the lid of the feeder open with their heads to get to the food. This feeder made of lacquered hardwood and plexiglass window can be mounted on a wall, tree or post. Size 21.6 x 16 x 16 cm (h/w/d). Matching metal stake please see item number 885258.
