Set of 2 ceramic figurines "Cat Family"

Product no.: IN-891048

They originate from Uruguay and are among the most beautiful examples of folk art there. The effort that goes into these colourful ceramics is enormous. The basic form is finished with fine decorative details which are then hardened in a first firing. Then it is painted - again by hand - and decorative enamel glazes are applied. After further kiln cycles, gilding and platinum elements are finally applied - creating individual testimonies of the close connection between Latin American folk art and handicraft at the highest level. Each piece is unique.

Two cats wait curiously. Shape and facial expression are lovingly designed with unusual accents. Large cat: size 12 x 9 x 10 cm (h/w/d). Small cat: size 9 x 7 x 5 cm (h/w/d).

Both cats only available as a set.
