Product no.: IN-769525.KR

A short break for the ballerina. A moment of recreation before her body becomes an expression of feelings and forms again. She needs this moment of contemplation. Classical Russian dance has shaped the world's dance scene like no other. The dancers of the Bolshoi Theatre are artistic role models. Krasnitskaya plays pictorially with the stillness and dynamics of the well-trained body.

Reproduction in Fine Art Giclée directly transferred onto artist canvas (100% cotton), mounted on a stretcher frame. Limited edition of 199 copies, numbered and signed by hand on the back. Size 49 x 70 cm (h/w). Exclusively at ars mundi.
