

Garden sculpture "Snail Waldemar", bronze

€69.00

Product no.: IN-897993

Snails without scares: Let's face it - the snail is a rather unwelcome guest in the garden. Unless it is made of bronze, just like this copy: Exactly modelled on its natural counterpart and cast in fine bronze... and above all without any appetite for garden plants.

Bronze sculpture cast using the Lost-Wax-Process, chiselled and patinated by hand. Size 3 x 7 x 3 cm (h/w/d). Weight approx. 0.1 kg. Can be fastened using the threaded pin supplied.
