

Auguste Renoir: Picture "A Path through the Meadows" (1876/77), framed

€330.00

Product no.: IN-773241

Renoir captures the mood of the moment with incomparable vividness: the play of the sunlit air above the grasses and bushes, the warmth and cheerfulness of summer with an exuberant splendour of colours...

Original: Oil on canvas, Louvre, Paris.

Collotype in 12 colours on 280g natural cardboard. The sensitive facsimile process allows only very limited editions and is mastered today by only a few workshops worldwide. One of them is the Lichtdruckwerkstatt Dresden, which works with the more than 100-year-old collotype equipment of the museum workshop. Limited world edition of 980 copies, numbered by hand and stamped with the artist's signature and the Lichtdruckwerkstatt's embossing stamp. Sheet size 70 x 60 cm. Framed in a hand-glided frame with bevel cut passe-partout. Size with frame 74.2 x 64.2 cm.
