**Product no.: IN-810351.00**

Beauty in contemporary painting is rarely as clever as it is in Bernd Zimmer's work. He is an avowed traditionalist in his subject "nature", but a revolutionary in execution. Trees, bushes, streams and reflections sound like a romantic understanding of nature, but in his pictures, they turn into stories and reflections on perception. Zimmer's broad, spontaneous brushstrokes, impulsive colours and large sizes characterise his "landscape painting" on the edge of abstraction.

Original colour lithograph, 2014/2015. Edition: 12 copies on handmade paper, numbered and signed by hand. Unframed. Motif size/sheet size 72 x 58 cm.
