

Set of 2 ceramic figures "Otters"

€188.00

Product no.: IN-911856

Folk art and elaborate handicrafts from Uruguay. The items are fired several times, decorated with materials such as enamel glaze, gold and platinum in elaborate handwork rich in colour.

The effort that goes into these colourful ceramics is enormous. In a first step, the still soft cast base form is decorated with fine ornamental details. The first firing hardens it, then it is painted - again by hand - and decorative enamel glazes are applied. After further kiln cycles, gilding and platinum elements are finally applied - creating individual testimonies of the close connection between Latin American folk art and handicraft at the highest level.

Otters are not only cute but also very intelligent. For example, they look for anvil-shaped stones to be able to open shells while swimming. The figures are made of ceramic and have been fired several times with enamel glaze and 18-carat gold and lovingly decorated by hand in rich colours. Otter large: 8 x 11 x 6,5 cm (h/w/d). Otter small: 6 x 8 x 6,5 cm (h/w/d). Only available as a set.
