A baby can hardly experience greater security and safety than in the care of a loving father. When we look at Lladró's parent-and-child sculptures, we can feel emotions of a time that we actually cannot remember.

Near Valencia lies the great porcelain town of Tavernes Blanques, which enjoys an international reputation. It is also home to the prestigious Lladró porcelain factory, which is family-owned for more than 50 years. This graceful sculpture on a noble wooden pedestal was made by Lladró's modellers from the finest white porcelain. Size 31 x 22 x 18 cm (h/w/d). Weight 2.5 kg.
