

Petra Waszak: Necklace "Sun Disc" with cultured corals

€240.00

Product no.: IN-475154

As an image of the sun god Ra, the sun is a life-giving symbol that was still reserved for the royal family in ancient Egypt. On this necklace made of cultured coral, the sun shines in the shape of a pendant made of finely gold-plated brass (diameter 3.2 cm). Special powers have been attributed to red coral for thousands of years: It strengthens the feeling of love, and the need for partnership and gathers energy, joy and vitality in us. Adjustable length from 42-48 cm, with lobster clasp made of gold-plated brass.
