

Lorient: Picture "Sistine Pugs", golden framed version

€630.00

Product no.: IN-771400.GR

Raphael's originals are probably the most famous "cherubs" of all: The two little angels are relaxed and serenely lounging at the edge of the picture. Above them, there is Pope Julius II, who admires the "Sistine Madonna". Lorient's stoically looking and winged pugs follow the course of the world in the same pose and with an unmistakably philosophical attitude.

Giclée print on handmade paper, signed. Sheet size 42 x 29.6 cm. Framed in golden baroque moulding with bevel cut passe-partout, dustproof glazed. Size 67 x 55 cm.
