

Vincent van Gogh: Picture "View of Arles" (1889), framed

€420.00

Product no.: IN-784146.R1

The vital, swirling yet strictly organised nature in his paintings reflects the agitated mood of Vincent van Gogh (1853-1890) during these years. Happily enjoying his studio in Arles, the Dutchman paints, among other things, a series of tree gardens. The even light could refer to the Post-Impressionist Paul Signac, who visited him shortly before.

Original: Oil on canvas, Neue Pinakothek, Munich.

High-quality reproduction using the Fine Art Giclée process on artist's canvas with linen structure, on a wooden stretcher frame. Covered with artist's varnish. Solid wood gallery frame in white with gold edge, grey patinated. Size 56 x 69 cm (h/w).
