

Garden sculpture / gargoyle "Elephant", Bronze

€1,780.00

Product no.: IN-852319

The elephant is a clean animal: there is nothing it loves more than wading knee-deep in a pond and spraying itself with a gush of water from its trunk. Early travellers to Africa also saw the playfulness in this process, which still delights zoo visitors of all ages today. The sculpture is therefore not only a gargoyle but also a bronze playmate that can be used as a little shower for your children and grandchildren.

Sculpture cast in bronze using the Lost-Wax-Process and finely patinated. Size 66 x 93 x 33 cm (h/w/d). Weight 25 kg. Including a device for connecting to the water mains, shipping without hose and pump.
