

Chinese Jade Coin Pendant

€98.00

Product no.: IN-721046

Jade is China's secret treasure and symbolises long life. For the Chinese philosopher Confucius, jade was the epitome of all human virtues. The hardness, purity, durability and beauty of jade were seen by Confucius as the harmonious union of integrity, decency and harmony.

The necklace consists of a 5 cm jade disc, a carved carnelian ring and small brass beads. All elements are strung on a black waxed cotton cord. The ancient 1 Ching coin is said to bring luck and prosperity. Length max. 60 cm.
