It all began with a sleepless night: Cane Cooper was looking for a new motif. And because his zodiac sign is a Pisces, it suddenly hit him: his success lies in the fish. Since then, Cane Cooper has painted over 1,000 original paintings with his cheeky, colourful Pop Art fish. Within a very short time, these paintings have helped the artist to achieve cult status. Exclusively at ars mundi, the Cane Cooper Cultfishes are available as hand-painted sculptures!

Cast by hand in stone. Limited edition 299 copies, numbered and signed. Size 10.5 x 10.5 x 7 cm (w/h/d).
