The inspiration sparked by the magic of glacial cave painting found in A. R. Penck's work can be seen particularly well in the colour-intensive work named "Hunt". His figures use wild gestures and dynamic movements to depict a wide variety of hunting scenarios, although it is not always clear who exactly is the hunted.

Numerous eyes that overlook everything permeate the entire motif. Looking back, we can only speculate whether this is an allusion to the surveillance apparatus to which A. R. Penck was subjected in the GDR. The large-format work from 1991 was published in a small edition of only 55 copies.

Original colour serigraph, 1991. 55 copies on wove paper, numbered and signed by hand. Motif size/sheet size 86 x 122 cm. Size in frame 93 x 129 cm as shown.
