The effort that goes into these colourful ceramics is enormous. The base form is decorated with fine ornamental details, and the first firing hardens it. Then it is painted - again by hand - and decorative enamel glazes are applied. After further kiln cycles, gilding and platinum elements are finally applied - creating individual testimonies of the close connection between Latin American folk art and handicraft at the highest level. Each piece is unique.

The ceramic frogs inspire with their original design, reminiscent of mosaics, and the lovingly crafted details. Large frog: size 7 x 9 x 8.5 cm (h/w/d). Small frog: size 6 x 7 x 6.5 cm (h/w/d). Each piece is unique. Both frogs are only available as a set.
