

Sundial "Hour Ring", bronze

€780.00

Product no.: IN-852054

Here, the gnomon rod extends through the sundial and casts its shadow on a revolving hour ring. The rings inside are armillary spheres showing the position of the equatorial and polar circles. Gunmetal bronze, patinated by hand and partially polished. Size 40 x 45 x 45 cm (h/w/d). Weight 6 kg.
