

Garden sculpture "Mandarin Drake", bronze

€624.00

Product no.: IN-937688

The mandarin duck originates from China, where it has become rare today. Fortunately, though, there are considerable numbers of ducks in Europe - in zoos, parks and the wild.

The drake, in particular, is considered an ornamental bird due to its colourful plumage. Edition in bronze, cast using the Lost-Wax-Process, chiselled and patinated by hand. Size 28 x 16 x 26 cm (h/w/d). Weight approx. 4.2 kg.
