Magic of the North: Christin Lutze's motif collection is based on her love of Nordic landscapes. Christin Lutze (born in 1975) was inspired to create this painting during a stay in Iceland - the island of fire and ice. She brought the "particularly clear blue winter light" to us from a small fishing town called Skagaströnd in the far north of the island. "This light enchanted and inspired me." The interplay of colours creates unique magic that works its way into the room.
Original: Oil on canvas.

Gicleés on canvas. Framed in lacquered natural wood frame with shadow gap. Limited edition of 199 copies each, numbered on the back and signed by the artist. Size 22 x 29 cm (h/w) each.
