

Thomas Jastram: Sculpture "Angel of St. Pauli" (2019), bronze

€3,400.00

Product no.: IN-899910

Thomas Jastram studied at the Academy of Fine Arts in Dresden. With his artistic form concept, the sculptor Jastram skilfully bridges the gap between antiquity and modernity. He succeeds in making the character of the motifs clearly recognisable while at the same time giving his sculptures symbolic content. He understands his "Angel of St. Pauli" as a symbol of tolerance and love of one's neighbour.
