

Ottmar Hörl:

Set of 3 sculptures "Bearers of Secrets - See Nothing, Hear Nothing and Say Nothing", silver-plated version

€1,390.00

Product no.: IN-910116

1200 dwarfs in the colours black - red - yellow and the three attitudes "Bearers of Secrets, See Nothing - Hear Nothing - Say Nothing" were designed for the art fair "art Karlsruhe 2006". Prof. Hörl declared his dwarfs a "gentle provocation", especially because the city of Karlsruhe is known as the city of law and justice. Prof. Hörl's dwarf parade, arranged rectangular on a gigantic wooden construction, caused some smiling. The "relatively political idea" (Hörl), which may be interpreted differently by each viewer, testifies to art that seeks confrontation. Art that does not like to hide away in the protected ambience of a museum.

See nothing, hear nothing and say nothing. These three bearers of secrets take this to heart. Following the medieval saying: "Audi, vide, tace, si tu vis vivere pace (Hear, see and be silent, if you want to live in peace)." The German contemporary artist Ottmar Hörl knows how to thematise and stage this everyday situation in his humorous way.

Signed special edition of 980 copies, each made of silver-plated cast metal. Size approx. 16 x 7 x 4 cm (h/w/d). Weight approx. 1.3 kg each. ars mundi Exclusive Edition.
