

Marcus Beitelhoff: Sculpture "Sparrow Couple", copper

€390.00

Product no.: IN-691346

They are up to mischievous tricks on the roof, on fences and walls. The cheeky sparrows look particularly good on your gutter - as long as it is not made of zinc because copper and zinc are not compatible. Hand-forged sculpture made of pure copper. Each copy is an individually forged unique piece, signed by the artist. Size approx. 26 x 17 x 15 cm (w/h/d).
