

Jan Köthe:

Sculpture "Homage to Christo and Jeanne-Claude XIX" (2016), stainless steel

€1,180.00

Product no.: IN-834030

In the series of works "Homage to Christo and Jeanne-Claude", Köthe interprets the wrapping of the Reichstag in Berlin. The folds of the silver fabric, the constriction and the cast shadows flow into his stainless steel sculptures. Steles connected with a steel band remind us of the tied-up lengths of fabric and the bodies facing each other.

Stainless steel sculpture 2016. Limited edition 19 copies, handmade, numbered, signed and dated. Size 40 x 15.5 x 7 cm (h/w/d). Weight 2.2 kg.
