

Umberto Boccioni:
Sculpture "Forme Uniche della Continuitae Nello Spazio"
(1913), bronze version

€1,980.00

Product no.: IN-692100

The sculpture "Forme Uniche della Continuitae Nello Spazio", which translates to "Unique Forms of Continuity in Space", became a milestone of Modern Art and is one of the central works in the collection at MoMA, New York. Even the Italian 20 cent piece features Boccioni's sculpture.

Sculptor after the 1913 original from the Museum of Modern Art, New York. A version in noble bronze, cast by hand according to the lost mould process. Finely patinated and polished. Total height 32 cm, on a diabase base. Size of the pedestal 18,5 x 9 cm. Exclusively at ars mundi.
