A design based on one of the most beautiful works of modern sculpture: Eros and Passion - "The Kiss" by Auguste Rodin. With this magnificent sculpture, Rodin creates the moment of rapture in which the two lovers find each other in a passionate embrace. The artist reveals the fateful significance of the scene through a storm of emotion.

The jewellery designer Petra Waszak transfers these emotions with her interpretation as a piece of jewellery. Pendant and chain made of 925 sterling silver. Adjustable length from 42-48 cm. Lobster clasp. Size pendant 3.5 x 2 x 1.2 cm (h/w/d). Weight 30g.
