Product no.: IN-894486

They originate from Uruguay and are among the most beautiful examples of folk art there. The effort that goes into these colourful ceramics is enormous. In a first step, the still soft cast base form is decorated with fine ornamental details. The first firing hardens it, then it is painted - again by hand - and decorative enamel glazes are applied. After further kiln cycles, gilding and platinum elements are finally applied - creating individual testimonies of the close connection between Latin American folk art and handicraft at the highest level. Each piece is unique.

Size of mother elephant: 10 x 6.5 x 11.5 cm (h/w/d). Size elephant child: 9 x 5 x 6.5 cm (h/w/d). Both elephants only available as a set.
