

Wristwatch "Weimar Edition" Bauhaus style

€215.00

Product no.: IN-948320

Exclusive wristwatch design by renowned designer Daniel Eltner from the "Bauhaus Weimar Edition" special collection of the "Walter Gropius" brand. The dial is inspired by the collage "Construction Z 1" by László Moholy-Nagy - the two red and blue squares symbolise day and night, while the vertical yellow bar represents sunlight and moonlight.

With Citizen Miyota quartz movement. Brushed stainless steel case with black, 18 mm wide leather strap and pin buckle. Robust sapphire crystal protects the watch. Size of case Ø 39 mm, height approx. 9 mm. Water-resistant up to 5 atm. Made in Germany.
