

## TA MEN: Picture "Shanghai II", framed

€830.00

Product no.: IN-479750

A great work by TA MEN from the series "Old China - New China": The anonymous office, where one of the two artists can be seen on the bottom right, represents the old China. But the façade is crumbling, and more and more of the new, dynamic, Western-oriented China can be seen, symbolised by the glowing skyline of Shanghai.

Giclée print on canvas. Limited edition of 199 copies, numbered and signed on the back. Traditionally stretched on a stretcher frame. Stretcher frame size 75 x 120 cm (h/w). Framed in a sophisticated hand-glided frame with a shadow gap. Size 79 x 124 cm (h/w).
