

Wristwatch "Sky Disc"

€2,990.00

Product no.: IN-871296

This wristwatch is more than just a timekeeper. It is the perfect object for aesthetes and individualists - a special edition that will become the future classical watch. It impresses with its fine precision mechanics and filigree watchmaking art.

The dial of this unique work of watchmaking art is individually handcrafted in a German master workshop - each dial is a unique piece. The case is made of solid 585 gold, diameter 3.3 cm, height 9 mm. Original Swiss quality quartz movement. Black calfskin bracelet with crocodile pattern, handmade with clasp.
