

Kreuchauff-Design: Necklace "Masterpiece"

€290.00

Product no.: IN-905541

All the jewellery pieces of the "Painting + Structure" collection are unique. They contain fragments of paintings by the artist Jürgen Kreuchauff. The refinement with 925 silver leaf, colour pigments and the merging of the components create unique colour and structure gradients.

This expressive necklace is a wearable abstract work of art. The pendant, made of three individual elements, and its dynamic décor is reminiscent of an action painting. Made of Painting + Structure material with a silver leaf overlay. The arrangement of the elements is variable. Strung on 15 fine stainless steel wires with clip closure. Length 45 cm. Total width of pendant approx. 7 cm.
