Ottmar Hörl:
Sculpture "Bearer of Secrets - Say Nothing", silver-plated version

€480.00

Product no.: IN-908985

1200 dwarfs in the colours black - red - yellow and the three attitudes "Bearers of Secrets, See Nothing - Hear Nothing - Say Nothing" were designed for the art fair "art Karlsruhe 2006". Prof. Hörl declared his dwarfs a "gentle provocation", especially because the city of Karlsruhe is known as the city of law and justice. Prof. Hörl's dwarf parade, arranged rectangular on a gigantic wooden construction, caused some smiling. The "relatively political idea" (Hörl), which may be interpreted differently by each viewer, testifies to art that seeks confrontation. Art that does not like to hide away in the protected ambience of a museum.

Signed special edition of 980 copies made of silver-plated cast metal. Size approx. 16 x 7 x 4 cm (h/w/d). Weight approx. 1.3 kg. ars mundi Exclusive Edition.
