

Bernhard Jäger: Sculpture "The Spiked Man", bronze

€920.00

Product no.: IN-757194

Bernhard Jäger chooses the form of the cephalopod, a reduced view of the human image. The artist concentrates entirely on the figure's face: large spiral-shaped eyes, a wide smiling mouth and a nose that juts boldly into the room and gives the figure something three-dimensional. The spiky hairstyle is particularly impressive. All around: a sculpture full of wit and charm.

Bronze sculpture. Patinated, partially polished, cast using the Lost-Wax-Process at Fritz Albrecht in Altrandsberg. Limited edition of 99 copies, numbered and signed. Size 17 x 23.5 x 3 cm (w/h/d) on a plinth 11.5 x 4 cm. Weight approx. 0.9 kg.
