Product no.: IN-903228

It seems to him there are a thousand bars, and behind the bars, no world... When thinking about a panther, one cannot help but think of Rilke's famous poem about a panther locked in a cage in the Jardin des Plantes in Paris, which feels constrained by a thousand bars. The bronze deep black patinated sculpture, on the other hand, enjoys a life of freedom. Whether in the garden or as a tasteful decorative element indoor. The sculpture shows the animal with its body tense to the last muscle in a moment of highest concentration.

Sculpture in bronze, cast using the Lost-Wax-Process, chiselled and patinated by hand. Large version. Size 14 x 47 x 11 cm (h/w/d). Weight approx. 2.6 kg.
