

Kreuchauff-Design: Jewellery set "Magic Blue"

€990.00

Product no.: IN-764142

All the jewellery pieces of the "Painting + Structure" collection are unique. They contain fragments of paintings by the artist Jürgen Kreuchauff. The refinement with 24-carat gold leaf, 925 silver leaf, colour pigments and the merging of the components create unique colour and structure gradients.

Mysterious and profound in colour: the Painting + Structure fragments of the "Magic Blue" jewellery set get their noble character from overlays of 24-carat gold leaf and 925 silver leaf.

Necklace: gold-plated stainless steel wire, length 45 cm. Bayonet catch gold plated. Pendant 925 sterling silver fine gold plated, 4 x 3.5 cm.

Bangle: diameter 7 cm, width 7 cm. An inner silver strap ensures that the bangle doesn't slip off the wrist and allows size adjustments. Stud earrings: gold-plated 925 sterling silver. Size 1 x 2 cm.

The jewellery set includes a necklace, bangle and stud earrings.
